LEARNING HOW TO LEARN MODULE PACK

Este instrumento es una ficha que se ha diseñado con el propósito de fortalecer el estudio independiente del inglés como segunda lengua, y su desarrollo depende de los objetivos personales que el aprendiente pretenda alcanzar durante el periodo a realizarla. A medida que se va desarrollando el proceso de aprendizaje, que dura siete semanas el estudiante profundiza en la habilidad que considere necesita mayor refuerzo. La evidencia de este plan es el portafolio, donde aparecerán las tareas que han sido orientadas por el asesor. Este plan de siete semanas, sigue el modelo SURE+ E (Study: estudie; Use: use; Review: repase; and Enjoy: disfrute; Evaluation: evaluación) que le ayudará a identificar el estilo de aprendizaje preferido por el aprendiente. La selección de estrategias de aprendizaje, de escogencia de los materiales y recursos apropiados le ayudara a tener éxito en las tareas a desarrollar.
